ZONING COMMISSION ORDER NO. 573-B
Case No. 87-18M/86-1C
(PUDs @ Squares 35 & 24 - Boston Properties)
July 10, 1989

By Order No. 573-A, dated February 13, 1989, the Zoning Commission for the District of Columbia approved a modification to a previously approved Planned Unit Development (PUD) at 23rd & N Streets, N.W. (Sq. 35), and approved consolidated review of a PUD at 25th & N Streets, N.W. (Sq. 24).

Z.C. Order No. 573-A provides for the construction of an eight-story mixed-use office/residential building on lot 110 in Square 24, and a six-story residential building on lot 802 in Square 35.

Pursuant to 11 DCMR 3028.8, Z.C. Order No. 573-A became final and effective on May 12, 1989.

Pursuant to 11 DCMR 3029.5, Advisory Neighborhood Commission 2A, by letter dated June 9, 1989, filed a motion for reconsideration of Z.C. Order No. 573-A. ANC-2A, for reasons shown, also requested the Zoning Commission to waive its rules of practice to allow for admission of its untimely filed motion for reconsideration.

The applicant, Boston Properties, by letter dated June 21, 1989 from the law firm of Linowes & Blocher, opposed the motion for reconsideration.

On July 10, 1989, at its regular monthly meeting, the Zoning Commission waived its rules of practice to admit the untimely-filed motion for reconsideration of ANC-2A.

The Commission concurs with the position of the applicant that no new issues were raised in the ANC-2A motion, that the motion simply restates the ANC-2A opposition to the case, and that the concerns of ANC-2A had already been addressed in Z.C. Order No. 573-A. Accordingly, the Commission denies the motion.
